

Happy New Year to you all . This report I'm sending you is one of the most unusual ones yet-

Check your NOTMAR on the VIND site (or portion attached here)as there will be an area on the west coast of VI that will be GPS impaired as of Feb 5th .Please let your members know.

Nanaimo approaches Red buoy marked PO is repositioned.

Also if you are going to Burma or know of someone coming here with registered vessels you/they should not dock!see below!!?

See you at the VIND Jan 27 .
