Commander's Corner

It seems like only yesterday that we moved to Mill Bay, actually it was in 1989. We purchased a boat, a chart, and I did not know what I was looking at.

I along with 21 others, sat through the Boating Course, then through Seamanship, immediately followed by AP. It certainly opened my eyes! I was invited to join Cowichan Squadron, and ultimately became the Commander.

I was introduced to Jens Oster, "Mr. CPS", he was very persuasive, and invited to join the District Bridge.

So here I am, 19 years later, and it is with great pride that I accept the role of District Commander. I will do my best to fulfill the trust of the Nominating Committee, and the help of the "A" team.

I will try to do justice to the position. It is an honour for me to have the opportunity to serve together with the fine assembled team for 2011 – 2012.
